

Dear Parents and Carers,

Welcome back to an action packed Summer Term in Year One. We hope that you all had a safe, relaxing and wonderful Easter holiday.

Keeping Safe in the Sun

Hopefully we will have LOTS of sunny weather days this term, please help us keep your child safe by ensuring that they are wearing a cap and have sun cream on to protect them during outdoor times. A long lasting sun cream applied at the beginning of the day would be perfect, as unfortunately we can't apply any sun cream to your child.

Please also ensure that your child has a labelled water bottle so that they can stay hydrated in the warmer weather. As the days get warmer, children often take off their jumpers and cardigans. Please could you make sure that they are labelled with your child's name.

PE and Outdoor Learning

P.E. will take place outdoors on a Wednesday and a Friday. We ask that the children come to school in their PE kit which consists of a PE top, a school jumper, tracksuit bottoms and trainers.

We are very lucky this term to continue to have Scout-Ed on a Wednesday, taking our learning outside. During these Wednesday sessions your children will be learning to become more resilient, independent and critical thinkers as well as develop and love, appreciation and care for the outdoor environment.

If you have any queries, please feel free to email me on a.jewitt300@durhamlearning.net .

Many thanks.

Miss Jewitt and the Year One Team
